

# Andreas Linse

Film Music Composer, Music Supervisor, Musician

---

## Profile

I'm a musician, music supervisor and film music composer with over two decades of professional experience. My journey has taken me from humble beginnings as a keyboard player in a 80's rock band to Munich's vibrant studio scene, including countless recording sessions, composing, arranging and producing for a variety of German and international artists.

I regularly compose music for 'Terra X', German's biggest nature documentary series created and produced by the ZDF.

I'm also founder of 'Scoring Tools' a music library and publishing company focussed on unique titles tailored for film scores.

The current focus of my work is audiovisual projects, mostly for non-fiction films.

---

## Skills/Knowledge/Strength

- 20 years experience as an arranger, keyboarder and musical director on more than 1500 released records for many artists and record companies
- Composer for roundabout 40 fiction and more than 150 non fiction films for German TV ARD, ZDF and SAT 1
- Musical Supervisor for Deutsche Cinecentrum , ZDF and many Image Film companies
- More than 400 Orchestrations
- Sound Design
- Recording Engineer
- I'm running a „real“ Studio with Pro Tools HD3, Logic and all the well known goodies from the digital to the tube world.
- I LOVE collaborations and working together with REAL musicians and soul brothers, so you can say: „ The whole is more than the sum of its parts“

---
